Introduction

This policy booklet contains three parts, your:

- Product Disclosure Statement;
- Policy Terms and Conditions; and
- Financial Services Guide.

Product Disclosure Statement (PDS)

The PDS is designed to help you understand what you need to know about Woolworths Pet Insurance so that you can decide whether to proceed with this cover. The PDS has been prepared by Hollard, who is the insurer and product issuer. Hollard has sole responsibility for the PDS, for each Woolworths Pet Insurance policy issued, and for the assessment and payment of claims.

The PDS describes the main features and benefits of Woolworths Pet Insurance. Any information contained in the PDS is general information only and does not take into account your individual objectives, financial situation or needs. Before acting on this general information, you should consider the appropriateness of the general information having regard to your individual objectives, financial situation and needs.

Policy Terms and Conditions

The Policy Terms and Conditions of Woolworths Pet Insurance have been written in plain language to help you understand the insurance cover offered, as well as an insured's rights and obligations under a Woolworths Pet Insurance policy.

You should carefully read the PDS and the Policy Terms and Conditions in this booklet before making any decision about whether to purchase Woolworths Pet Insurance. Note that you have a cooling off period and certain cancellation rights.

Financial Services Guide (FSG)

The FSG contains important information about the services provided by Woolworths and other persons or organisations listed in the FSG in relation to Woolworths Pet Insurance, how they are remunerated in relation to the services offered, and their internal and external dispute resolution procedures. It is designed to assist you in deciding whether to use any of their services. Woolworths and other persons or organisations providing the services are responsible for information relevant to them in the FSG.

Product Disclosure Statement

Hollard is solely responsible for the PDS and is the insurer under each Woolworths Pet Insurance policy issued. PetSure has been given a binding authority by Hollard which authorises it to enter into, vary and cancel Woolworths Pet Insurance on behalf of Hollard as if it were Hollard, subject to the limits of authority agreed with Hollard. PetSure does not act for you. Woolworths is authorised to arrange, distribute and promote Woolworths Pet Insurance, but is not involved in the assessment or payment of claims.

This PDS contains important information about:

- significant features and benefits of Woolworths Pet Insurance;
- your Duty of Disclosure when applying for Woolworths Pet Insurance;
- our internal and external dispute resolution procedures; and
- your cooling off rights when purchasing Woolworths Pet Insurance.

Please note that, while this PDS provides a summary of the significant features and benefits of Woolworths Pet Insurance, you must also read the Policy Terms and Conditions in this booklet to understand the insurance provided (including what terms, conditions, exclusions and limitations may apply to your Cover).

Sometimes we need to change the wording of the policy before it is issued to you because your insurance varies depending on a number of factors. We do this by adding what is called an endorsement. You will find any endorsements that apply to your policy printed on your Certificate of Insurance.

We may need to update this PDS from time to time if certain changes occur and where required by law. If the change results in a material change from the PDS you hold, we will provide you with a new PDS or supplementary PDS.

Protection for your pets

Subject to the terms, conditions, exclusions and limitations that apply to your Cover (as set out in this document), Woolworths Pet Insurance provides:

- financial protection for Vet Expenses in respect of the insured Pet resulting from sudden and unexpected Accidental Injury or Illness occurring or first showing clinical signs within the Policy Period and after any applicable Waiting Period; and
- cover for eligible Vet Expenses (as well as allowing you to use the services of any Vet in Australia and, in some cases, overseas).

'Vet Expenses' are defined in Section 1 – Definitions on page 21 and may be subject to stated limits, Excesses and applicable Waiting Periods.

Understanding the limits of the insurance

Woolworths Pet Insurance transfers many of the financial risks pet owners face for Vet Expenses from the insured to the insurer. However, Woolworths Pet Insurance does not cover every circumstance or expense and we have certain terms, conditions, exclusions and limitations that help keep premiums low. These include, but are not limited to, conditions such as pregnancy, elective procedures, pet foods/diets, grooming and medical conditions that are present or that you were aware of (or that a reasonable person in your circumstances should have been aware of) prior to the policy Commencement Date or that arise during the applicable Waiting Period.

Maximum monetary limits also apply to the benefits payable in any one Policy Period. These are called the Benefit Limit and can vary depending on the relevant cover.

Full details are specified in the Policy Terms and Conditions (pages 16 to 39).

Duty of disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, which may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Calculating your premium

Your premium is calculated when your Woolworths Pet Insurance policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.

The premium is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, the Excess selected, the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live and the species, breed and age of your Pet. The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.

Minimum premiums and discounts / entitlements may apply, subject to certain criteria. Discounts / entitlements / premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts / entitlements. They are applied to the base premium calculated prior to any taxes being added.

Cooling off period

You have a full 21 days from the policy Commencement Date (or any renewal date) to make sure you are happy with every aspect of your Woolworths Pet Insurance policy. This is known as the “cooling off” period. During this time you may cancel the policy simply by contacting us. If we receive your request to cancel your policy within the 21 day period after the policy Commencement Date (or any renewal date), we will give you a refund of any monies received since commencement or renewal, less any costs incurred by us which we are unable to recover and any taxes or duties that we are unable to refund.

You cannot return your Woolworths Pet Insurance policy if you have exercised any of your rights or powers under the policy (e.g. you have made a claim) within the 21 day cooling off period. After the cooling off period ends you continue to be able to cancel your policy and you have rights upon cancellation in certain circumstances under the policy. These rights are set out in Section 8 – Cancellations on page 33.

Financial Claims Scheme and Compensation Arrangements

We are an insurance company authorised under the Insurance Act 1973 (Cth) (Insurance Act) to carry on general insurance business in Australia by the Australian Prudential Regulation Authority (APRA) and are subject to the prudential requirements of the Insurance Act.

The Insurance Act contains standards designed to ensure that, under all reasonable circumstances, financial promises made by us are met within a stable, efficient and competitive financial system. Because of this we are exempted by the Corporations Act 2001 (Cth) from the requirement to meet the compensation arrangements Australian Financial Services licensees must have in place to compensate retail clients for loss or damage suffered because of breaches by the licensee or its representatives of Chapter 7 of that Act. We have compensation arrangements in place that are in accordance with the Insurance Act.

If we were to fail and were unable to meet our obligations under your policy, a person entitled to claim under insurance cover under the policy may be entitled to payment under the Financial Claims Scheme (access to the Scheme is subject to eligibility criteria). Information about the Financial Claims Scheme can be obtained from the APRA website at fcs.gov.au and the APRA hotline on 1300 558 849.

Authorised for issue

This PDS including the Policy Terms and Conditions was prepared by Hollard. Woolworths and Petsure have given their consent to all statements by or about them in the form and context in which they are included and have not withdrawn as at the date of the PDS.

These statements appear throughout the PDS.

Policy Terms and Conditions

The Woolworths Pet Insurance Policy

Woolworths Pet Insurance provides three (3) levels of Cover, being:

- Basic Cover; or
- Standard Cover; or
- Comprehensive Cover.

We will issue a new Certificate of Insurance:

- on renewal of your policy each year; or
- if you or we change your Cover.

Your policy will continue for a period of twelve (12) months from the policy Commencement Date unless cancelled by you under the cooling off period as explained on page 10 or cancellation provisions of the policy as explained in Section 8 – Cancellations on page 33. We also have certain cancellation rights at law. For your convenience and to ensure continuity of cover for your Pet, we will automatically renew your policy each year, (refer to the “Automatic renewal of your policy” section on page 17).

Your policy comprises of the Certificate of Insurance, PDS, Policy Terms and Conditions, FSG and any endorsements issued by us from time to time.

The basis on which we insure you

Subject to the Terms and Conditions of the policy, we will reimburse the Vet Expenses incurred by you as a result of a Treatment to the insured Pet for covered Accidental Injury or Illness Conditions up to the specified Benefit Percentage, but subject to any applicable Benefit Limit and less any Excess which may apply, provided that:

- you have paid or agreed to pay the premium to us for the Cover provided;
- the Accidental Injury or Illness Conditions (whichever is applicable) arose during the Policy Period; and
- the Treatment occurred during the Policy Period.

Where we agree to provide Cover under the policy we rely on the representations made by you during your application for insurance.

Cover under the policy will depend on the level of Cover you have chosen. Your Certificate of Insurance will state what your Pet is covered for.

Additional and optional benefit(s) may also be provided if specified on your Certificate of Insurance.

Automatic Renewal of your Policy

We will advise you regarding renewal of your policy prior to the expiration of the current policy. We may change the terms and conditions of the policy on renewal to reflect the portion of the risk associated with insuring your Pet based on factors such as (but not limited to) your Pet's age, location and medical history.

Unless otherwise notified, your Cover will be automatically renewed on the terms contained in the renewal offer and we will deduct/charge the renewal premium from your nominated account/credit card unless you tell us not to. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.

We require you to notify us should you decide not to renew your policy.

Should you renew your policy you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty of Disclosure. If you do not we may reduce or refuse to pay a claim or cancel the policy.

Delivery of your policy documents

Unless you tell us otherwise or we tell you it is no longer suitable we will send your policy documents and policy related communications electronically. This includes email and/or other methods of electronic communication. You will need to provide us with your current email address and your mobile phone number. Each electronic communication will be deemed to be received by you on the transmission date recorded in our systems. Where we deliver your policy documents and policy related communications by mail in printed form all such communications will be deemed to have been successfully delivered once mailed by us to your last notified postal address.

Some important things you should know

Benefits do not accumulate across Policy Periods. The policy benefits will expire at the end of each Policy Period.

Your rights and duties under the policy cannot be transferred without our prior written consent.

It is a condition of Cover that your Pet must regularly reside with you and be under your regular care and supervision at the physical address you provided to us.

Section 1 – Definitions

When interpreting these Policy Terms and Conditions:

- references to the singular include the plural and vice versa, and to the masculine include the feminine and vice versa; and
- monetary references are in Australian dollars.

Words that are capitalised have the special meaning explained below:

Accidental Injury means physical harm or injury arising from an accident. For the purposes of this policy, an accident is:

- a single specific, unpredictable, unusual and unintended external event which occurs at a particular time and place, with no deliberate cause but with marked effects; and
- is independent of any other cause including any Pre-existing Condition.

Note: Conditions covered by the Accidental Injury Cover Section of the policy are specified in Section 2 on page 23.

Benefit Limit(s) means the applicable total amount payable under your policy in relation to the relevant Cover as specified in your Certificate of Insurance (determined as follows);

- if a specified limit or sub limit for a particular Cover, item, condition or treatment on an individual or per claim basis is specified to apply in the Certificate of Insurance, we will not pay more than that amount (subject also to the following annual limits and sub limits not having been exceeded); and
- we will never pay more than the overall annual benefit level specified in your Certificate of Insurance, unless a special annual limit or annual sub limit is specified as applicable to the particular Cover, item, condition or treatment (in which case the lesser annual limit or annual sub limit will apply).

Note: The Benefit Limit is subject to any applicable Excess.

Benefit Percentage means the stated percentage of each claim for eligible Vet Expenses for which we will reimburse you, subject to any applicable Benefit Limits and Excesses. **Note:** The applicable Benefit Percentage will be shown on your Certificate of Insurance.

For example: for an 80% Benefit Percentage we will reimburse you for 80% of the eligible Vet Expenses, subject to Benefit Limits and Excesses payable. Refer to page 37 for an example of how claim payments are calculated.

Bilateral Condition means any Condition affecting body parts of which the Pet has at least two, one each side of the body (e.g. ears, eyes, knees, cruciate ligaments). Note: When applying a Benefit Limit or exclusion, a Bilateral Condition will be considered a single Condition.

For example: if your Pet displays clinical signs of a cruciate ligament Condition in the left leg prior to the Commencement Date of the policy or during the Waiting Period, Vet Expenses for a subsequent cruciate ligament Condition in the right leg will not be covered.

Certificate of Insurance means the relevant certificate we provide outlining the key details of the contract of insurance between you and us, and identifying the policy number, Commencement Date, Cover End Date, insured Pet, schedule of benefits including Benefit Limits.

Commencement Date means 23h59 on the date when Cover for your Pet first started as shown on your Certificate of Insurance.

Condition means any Accidental Injury, or any manifestation of an Illness, including but not limited to any:

- Skin Condition;
- Bilateral Condition;
- Related Condition; or
- Recurring Condition

Consultation and other derivations means an examination performed by or under the supervision of a Vet, including a physical consultation, inpatient examination, in-hospital examination, health certificate, consultation or recheck consultation/ visit, referral/ specialist consultation/ visits, emergency and after hours consultations/ visits.

Cover means Accidental Injury and Illness Cover.

Note: The Cover applying to your Pet is shown on your Certificate of Insurance. The Cover includes the Additional Benefits explained in Section 4 on page 25 and if selected the Optional Benefit explained in Section 5 on page 27.

Elective Treatment means a Treatment or surgery that is beneficial to your Pet but is not essential for your Pet's survival or does not form part of the Treatment for a Condition. Refer to Section 6 – General Exclusions on page 28.

End Date means 23h59 on the date upon which your policy terminates and benefits cease.

Note: The End Date is shown on your Certificate of Insurance. If the policy is cancelled, then the date of cancellation will be deemed to be the End Date.

Excess means the first amount of a claim we do not pay and which you are required to pay yourself as shown on your Certificate of Insurance.

Note: The Excess is deducted from your benefit for each Condition treated during the Policy Period that is not related to any other Condition treated during the same Policy Period. Refer to page 37 for an example of how claim payments are calculated.

Illness means a sickness or disease which:

- is not included under Accidental Injury Cover; and
- is independent of any Pre-existing Condition.

Pet means a dog or cat covered under the policy and named on your Certificate of Insurance.

Policy Period means the time during which we provide Cover as specified on your Certificate of Insurance.

Pre-existing Condition means Any Condition(s) or symptoms or signs of that Condition occurring or existing in any form prior to the Commencement Date or during any applicable Waiting Period. Including but not limited to:

- any cruciate ligament Condition;
- a Recurring Condition;
- any Skin Condition (as defined);
- latent infectious Conditions that manifest within a known incubation period indicating clear evidence that the Condition had existed prior to the Commencement Date;
- any Condition in remission at the time of the insurance application;
- any seasonal Condition;
- Conditions currently or previously being controlled by medication(s);

and whether or not diagnosed or treated by a Vet. (If your Pet has a Pre-existing Condition, please also refer to definitions for a “Related Condition” and a “Bilateral Condition”).

Related Condition means a Condition that even though it has shown first signs or symptoms during the Policy Period (outside of the Waiting Period), it is considered to be a Pre-existing Condition if it has the same clinical symptoms, diagnostic classification or results from the same disease process as a Pre-existing Condition regardless of the number of areas of your Pet's body affected.

For example: if your Pet suffers from arthritis in its legs prior to the Commencement Date of the policy or during the Waiting Period, all future occurrences of arthritis for example in the back or neck, will be considered to be Related Conditions and will not be covered.

Recurring Condition means a Condition that is curable but may relapse repeatedly with intervals of remission in between.

Routine Care means certain preventive healthcare treatments for your pet listed on your Certificate Of Insurance. If you have this cover, the list of allowable treatments and the Benefits Limits applicable to these, are shown on your Certificate of Insurance.

Cover under the policy is provided on the basis that you have paid or agreed to pay us the premium for the Cover provided. The amount you pay is shown on your Certificate of Insurance and includes all premium, administration fees, commissions and any applicable government taxes, fees and/or charges.

7.1 Paying your premium

1. The premium is payable when you take out a new policy and when you renew your policy.
2. You may choose to pay the premium:
 - a. annually by credit card or direct debit; or
 - b. monthly or fortnightly by instalment by credit card direct debit or debit card direct debit
3. When premiums are paid monthly or fortnightly by instalment, claims are paid on the basis that you agree to pay the remaining premiums for that Policy Period.

Note: If we accept and pay a claim under the policy, we may deduct the balance of any outstanding premium from the claim payment.

7.2 Paying on the due date

1. Your policy will not operate until you have paid your premium (or your first instalment if you have elected to pay by instalments).
2. Your premium must be paid on or before its due date.
3. Where you have an instalment Policy and we have not received an instalment payment, we will send you a notice in writing (either mail, email or text message) regarding your non-payment at least 14 calendar days before any cancellation by us for non-payment.

If after sending the above notice we do not receive the instalment payment, we will send you a second notice in writing (either mail, email or text message), either:

- a. prior to cancellation, informing you that your instalment Policy is being cancelled for non-payment if the unpaid premium remains in arrears for more than thirty days; or

 - b. you may be refused cover in the future under any policy administered by PetSure, and
 - c. any application for general insurance products in the future may be affected because you had a policy cancelled as a result of unpaid premiums.

Section 8 – Cancellations

8.1 Cancellation by you

You may cancel your policy with us at any time by contacting our customer service team. Our contact details are outlined on page 4. The cancellation will be effective once we provide you our confirmation of your cancellation request. These cancellation provisions also apply to policies cancelled where you have entered into a new policy because you change your level of cover, type of policy or Benefit Limits.

8.2 Cancellation during the cooling off period

If you cancel your policy during the 21 day cooling off period, provided that no claim has been made, we will refund any premiums paid since commencement or renewal, less any transaction costs incurred by us which we are unable to recover, and any taxes or duties that we are unable to refund.

You cannot return your policy during the cooling off period if a claim has been made.

8.3 Cancellation where no claims have been made

If you cancel the policy for whatever reason after the cooling off period and you have paid the annual premium in full, provided no claim has been made, we will refund the premium less:

- The amount covering the period you were insured for;
- The cancellation fee of \$30 (which will not be deducted if your cancellation is due to your Pet passing away); and
- Any government or statutory charges we are unable to recover.

If you have been paying your premium by instalments, there is no premium refund (including for any remaining days of a current instalment period). No further premium instalments will be deducted.

8.4 Cancellation after a claim has been made

If you cancel your policy for whatever reason (other than your Pet passing away) after having made a claim, no premium refunds are payable and the remaining premium for that Policy Period must be paid if it has not already been paid. Any outstanding premium may be deducted from any claim payment owed, or alternatively, charged to your nominated bank/credit card account. This clause survives termination of this contract. If you cancel your policy because your Pet has passed away and after having made a claim, your policy will be cancelled in the same way as set out above in 'Cancellation where no claims have been made'.

8.5 Cancellation by us

We may cancel your policy where the law allows us to do so. If we cancel your policy, we will refund any money we owe you less any non-refundable statutory fees. If we cancel your policy due to fraud, we will not refund any money to you.

If you advise us that your Pet has passed away, your policy will be cancelled in accordance with 'Cancellation where no claims have been made'. For more information about cancellations refer to Section 7 - 'Premiums' on page 32.

Section 9 – Claims

9.1 What you need to do

All claims must be completed carefully and honestly and can be submitted online or by post. If submitting a claim by post claim forms are available on request by calling **1300 101 234** or can be downloaded from **woolworths.com.au/insurance**. The table below sets out the procedure when submitting a claim.

How to make a claim

1	All claims must include itemised tax invoice/s, payment receipt/s and applicable consultation notes. If submitting a claim by post all claim documentation must be accompanied by a completed claim form. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
2	If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet. Failure to include this may result in delays in processing your claim.
3	All claims should be submitted to us and received within ninety (90) days of the relevant Treatment being provided and all accounts must be paid in full prior to submission of your claim.
4	You agree that your Vet (current or previous) is authorised to release information and/or records to us about your Pet.
5	You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
6	You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.
7	We will not reimburse you for the provision of any information required in the administration or execution of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

If submitting a claim by Post	The attending Vet must complete all sections on the claim form where designated and both you and the attending Vet must sign the claim form.
If submitting a claim online	If your Vet has agreed to submit your claim electronically on your behalf, you agree we are authorised to receive each such claim submitted.

9.2 What we will do

1. We will deal directly with you regarding settlement of the claim.
2. Unless we specify otherwise, we will pay you, not the Vet.
3. If the Vet Expenses:
 - a. are considered by us to be excessive or unreasonable; or
 - b. are higher than the Vet Expenses normally charged by a general or referral practice; or
 - c. in our opinion may not be required; or
 - d. are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices,

then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).
4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.

7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver of our rights to apply the Policy Terms and Conditions retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.

9.3 Examples of how we settle your claim

The following calculations provide examples of how claims will be settled where Cover is provided (these examples are indicative of the manner of calculation only and include GST):

Example 1

80% Benefit Percentage with a Nil Excess	
Total amount of eligible Expenses paid by you to the Vet	\$2,000
Total amount claimable after 80% Benefit Percentage applied	\$1,600
Total payment	\$1,600

Example 2

80% Benefit Percentage with a \$100 Excess option	
Total amount of eligible Expenses paid to Vet	\$2,000
Total amount claimable after 80% Benefit Percentage applied	\$1,600
Less \$100 Excess	(\$100)
Total payment	\$1,500

9.4 Our rights of recovery

If we have the right to recover any amount payable under the policy in relation to a claim from any other person, you must cooperate with us in any action we may take.

9.5 Other insurance arrangements

If we accept your claim and there is any other similar insurance under which you are entitled to claim, you are required to advise us at the time you submit your claim if you hold such other insurance. Total benefits paid to you across all insurance cannot exceed your actual expenses.

Section 10 – Direct Debit Request Summary

When you provide us with your bank details, you are instructing us to directly debit the relevant premiums calculated by us from your nominated account.

If your premium cannot be paid (for example there is not enough money in your nominated account) your bank may dishonour that payment, and you may be charged a dishonour fee by your bank. Neither Hollard nor PetSure will be responsible for dishonour fees charged by your bank or financial institution. If your direct debit is dishonoured we will automatically retry for the outstanding amount within fourteen (14) days, and you may be charged a dishonour fee by PetSure.

If you have concerns about the operation of the direct debit authority or you subsequently need to change any aspects of the authority, please notify us.

Section 11 – General Information

Changing level of Cover

1. If you opt to transfer your Pet to a level of Cover with higher or additional benefits (including but not limited to a higher Benefit Percentage, Benefit Limit or lower Excess) then the additional or higher benefits will not apply to claims for Conditions first noted, diagnosed, or treated prior to the policy upgrade.

In such cases, benefits will be restricted to the lesser of the maximum benefits payable under the:

- a. current level of Cover; or
- b. policy that applied during the Policy Period in which such Condition(s) was/were first noted, diagnosed, or treated.

For the sake of clarity, maximum benefits referenced in this section include taking the following factors into consideration:

- a. the Benefit Limit;
- b. applicable sub-limits;
- c. applicable Benefit Percentage, Excess; and
- d. any applicable policy exclusions.

2. If you opt to transfer your Pet to a level of Cover with additional benefits, then the applicable thirty (30) day Waiting Period for the new Cover will apply. You cannot change your level of cover in a policy period if a claim has been paid.
3. If you pay your premium via fortnightly or monthly instalments, there is no premium refund (including any remaining days of a current instalment period) when you change your level of cover.

Supplementary Product Disclosure Statement ("SPDS")
(Notice of Policy Changes & Amendments)
Effective Date: 30 June 2019

This notice sets out an important change made to the combined Product Disclosure Statement, Policy Terms and Conditions and Financial Services Guide for Woolworths Pet Insurance dated 14 August 2018. It is important that you read this SPDS and the policy booklet together to familiarise yourself with the policy Terms and Conditions as they now apply.

Section	Description of change
Duty of Disclosure (page 9)	<p>Under 'If you do not tell us something', replace with the following text: <i>If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and cancel your contract.</i></p>
Calculating your premium (page 9)	<p>Replace the entire section with the following text: <i>Your premium is calculated when your Woolworths Pet Insurance policy begins, and at each policy anniversary (and if you vary or extend cover) and is printed on the relevant Certificate of Insurance.</i></p> <p><i>The premium for new policies is calculated based on a number of factors. Some are pre-set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Others can affect the premium amount up or down depending upon whether we believe it increases or decreases the risk to us, such as the Cover you have chosen, the Excess selected, the Benefit Percentage applicable to the Cover you have chosen, where you and your Pet permanently live, your age and the species, breed, gender of your Pet, the current age of your Pet, the age you first insured your Pet, and other factors related to our cost of doing business. These same factors may be used to calculate your premium when you amend your coverage. Further information about renewal premiums can be found under "Automatic Renewal of your Policy" on page 17.</i></p> <p><i>The amount you pay includes allowances for government fees, taxes and charges (including stamp duty and GST). You can ask us for further information.</i></p> <p><i>Minimum premiums and discounts/entitlements may apply, subject to certain criteria. Discounts/entitlements/premiums may be rounded up or down and only apply to the extent any minimum premium is not reached. They are also applied in a predetermined order (excluding amounts for government taxes and charges) as reduced by any prior applied discounts/entitlements. They are applied to the base premium calculated prior to any taxes being added.</i></p>
Your Privacy (page 10-12)	<p>Replace all references to 'Financial Ombudsman Service' with 'Australian Financial Complaints Authority (AFCA)'.</p>
Your Privacy (page 11)	<p>Replace the first bullet point on page 11 with the following:</p> <ul style="list-style-type: none"> • <i>personal information is collected that is reasonably necessary in order for us to provide and offer you our products and services, or otherwise as permitted by law. Your premium takes into account the average cost of care for Pets like yours.</i></p> <p><i>We may also change the terms and conditions of the policy upon renewal to reflect the portion of the risk associated with insuring your Pet.</i></p> <p><i>Unless you notify us otherwise, your Cover will be automatically renewed on the terms contained in the renewal offer and we will deduct/charge the renewal premium from your nominated account/credit card unless you tell us not to. If the account/credit card is not yours, you confirm you have the authority of the relevant person to use it and they have agreed to these terms.</i></p> <p><i>We require you to notify us should you decide not to renew your policy.</i></p> <p><i>Should you renew your policy, you must tell us if the information you have previously supplied is incorrect or incomplete in order to comply with your Duty of Disclosure. You can also complete a paper claim form and send your original documentation via post. Claim forms are available on request by calling 1300 10 1234 or can be downloaded from www.woolworths.com.au/insurance. All claims must be completed carefully and honestly.

9.2 Important claim information

1. Unless we agree otherwise, all claims must include itemised tax invoice/s, payment receipt/s (except when the claim is submitted via our real time claim system, where available) and applicable Consultation notes.
2. Incomplete claim forms will be returned to you and this may result in a delay in processing your claim. We recommend that you retain copies of all documentation for your records.
3. If submitting a claim for the first time, please include a full veterinary history from the attending Vet and any previous Vets who have treated your Pet. Failure to include this may result in delays in processing your claim.
4. All claims should be submitted to us and received within ninety (90) days of the relevant Treatment being provided and all accounts must be paid in full prior to submission of your claim (unless you are submitting a claim using our real time claim system (where available), whereby you agree that you will pay the Vet the remaining portion of the tax invoice (if any) after the claim payment (if any) is made by us to your Vet).
5. You agree that your Vet (current or previous) or any other service provider that provided Treatments to your Pet are authorised to release information and/or records to us about your Pet.
6. Where a Vet submits a claim on your behalf, you agree that the Vet is able to view the outcome and status of that claim and previous claims (where applicable).
7. You agree that we are authorised to discuss with the Vet, details relating to your claim or Treatment provided to your Pet in relation to a claim made under the policy.
8. You agree that we have the right to decline to process a claim where you or your Vet refuse or are unable to provide information reasonably requested by us in order to process your claim.
9. We will not reimburse you for the provision of any information required in the purchase and administration of the policy nor for the assistance provided to you in the completion of any forms relating to the policy including the provision of any information in relation to a claim made under this policy.

9.3 What we will do

1. We will deal directly with you regarding settlement of the claim. Where available, where our real time claims system is used by your Vet to submit your claim, we will also provide information to your Vet about the settlement of your claim.
2. Unless we specify otherwise, we will pay you, not the Vet. Where available, where our real time claims system is used by your Vet to submit your claim, we will provide payment of your claim directly to your Vet.
3. If the Vet Expenses:
 - a. are considered by us to be excessive or unreasonable; or
 - b. are higher than the Vet Expenses normally charged by a general or referral practice; or
 - c. in our opinion may not be required; or effect
 - d. are regarded to be excessive when compared with the Treatment normally recommended to treat the same Condition by general or referral practices;then claim payments will be adjusted and paid based on the reasonable and customary Treatment or fees typically charged for the Treatment of that Condition. We reserve the right to request a second opinion from a Vet that we choose. If the Vet we choose does not agree that the Treatment provided or fees charged were reasonable, we may decide to pay only the cost of the Treatment that was necessary and/or reasonable to treat the Condition (as advised by the Vet from whom we have requested the second opinion).
4. We will send you a letter/remittance advice regarding the settlement of your claim that will provide details of how your claim has been dealt with.
5. If you submit a fraudulent claim, or solicit your Vet to behave in a fraudulent manner regarding a claim, then the claim may be denied and we may cancel your policy altogether. We may also be entitled to reclaim any payments already made to you in respect of such claims.
6. When we settle your claim, we reserve the right to deduct from the benefit amount any amount due to us.
7. In the event that we pay a benefit contrary to the Policy Terms and Conditions for whatever reason, this will not constitute a waiver retrospectively as they stand to any paid claims or to any future claims for that or any Related Condition. We also reserve our right to recover from you any benefit amount received by you as a result of such error.
