OUR AGREEMENT WITH YOU

Your insurance contract

When you buy NAB Car Insurance, we enter into a contract with you which is called the policy and is made up of:

- your policy schedule;
- this Product Disclosure Statement (PDS);
- any applicable Supplementary PDS (SPDS) we issue that varies it; and
- any other document we tell you forms part of the policy which may vary or modify the above documents.

This document (together with any amendments, updates or endorsements that we give you in writing which may vary it) will also apply for any offer of renewal we make, unless we tell you otherwise or issue you with a new and updated PDS.

If there is more than one insured on the policy, then anything that any of the insureds says, does or omits to advise us of applies to and affects the rights of all of the insureds.

Your waiting period for cyclone, flood and bush fires

To manage the risk of people taking out car insurance on their uninsured vehicles when events such as cyclones, floods or bush fires are predicted, we do not provide cover (where the type of cover you have provides it) for any loss of or damage to your vehicle caused by these events during the first 72 hours after the policy is first taken out by you (it does not apply to renewals). However, you will be covered from the time you take out the policy for covered loss of or damage to your vehicle not caused by these events.

Your policy schedule

Your policy schedule shows the type of cover you have and any optional benefits you have added under the policy. It also shows the period that the policy covers you for – this is called the period of insurance.

Receiving your policy documents

You may choose to receive your policy documents:

- by email; or
- in hard copy (by post).

If you choose to receive your documents by email, we will send them to the email address that you provide us, not your mailing address. Any documents sent by email will be considered to have been received by you 24 hours from the time we sent them to your email address.

If you do not tell us to send your documents to you by email, then we will send them to you by post to the mailing address that you have provided us.

It is your responsibility to make sure that both the email and mailing address you have provided us are up to date. This means you need to let us know if you change your email or mailing address as soon as it happens (see page 30: Changes to your policy).

Your responsibilities

This document has been prepared without taking into account your particular objectives, financial situation or needs (personal circumstances). As a result, you should carefully read this document and consider whether NAB Car Insurance is suitable for your personal circumstances. You may wish to make this assessment yourself or seek the help of an adviser.

When entering into the policy or on renewal, variation, extension, or reinstatement you must meet your duty of disclosure obligations. See page 10: Duty of Disclosure.

You must during the term of the policy follow and meet all of the policy's terms and conditions. In particular, you must:

- take all reasonable care to prevent loss of (including theft) or damage to your vehicle. This includes but is not limited to:
 - moving your vehicle from rising flood waters if it's safe to do so;
 - ensuring that the ignition keys are not left in the vehicle when no one is in the vehicle;
 - locking all the doors and windows when the vehicle is parked or unattended; and
 - accompanying anyone test driving the vehicle when it is being test driven as part of you selling the vehicle;
- keep your vehicle well maintained and in a roadworthy condition. This includes but is not limited to ensuring safety parts such as tyres, brakes and lights are in the condition necessary to allow the vehicle to be registered; and
- ensure that any information you give us as part of a claim document or statement to us is honest and complete.

Not meeting your responsibilities

If you do not meet your responsibilities we may do either or both of the following:

- reduce or refuse your claim; and
- cancel your policy.

If fraud is involved we can treat your policy as if it never existed.

The above rights are subject to any relevant law.

Special conditions

We may impose special conditions on your policy that exclude, restrict or extend cover for a certain person or condition. For example, we may decline to cover certain drivers. These conditions will be listed on your policy schedule and you should read your policy schedule carefully.

The value we apply to your vehicle

Depending on the type of insurance cover you choose, we may insure your vehicle for either an agreed value or for market value. The value that applies to your vehicle will be shown on your policy schedule.

Agreed value

The agreed value is the specified amount we agree to insure your vehicle up to, which is listed on your policy schedule.

Typically, people seek to ensure that the agreed value amount takes into account what it would cost to replace the vehicle. This includes:

- any modifications, options or accessories that have been made or added to the vehicle;
- Goods and Services Tax (GST);
- registration and any Compulsory Third Party (CTP) insurance; and
- other on road costs such as stamp duty transfer, dealer warranty costs or transfer fees or dealer delivery.

Market value

If we insure your vehicle for market value we will assess the cost to replace your vehicle with a vehicle of the same make, model, age and condition as your vehicle immediately prior to the loss or damage but excluding costs and charges for registration, CTP insurance, stamp duty transfer, dealer warranty costs or transfer fees or dealer delivery.

To determine the market value we look at things such as:

- local market prices;
- your vehicle's condition; and
- any modifications, options or accessories that are attached to your vehicle and shown on your policy schedule.

Your premium

In return for paying or agreeing to pay us your premium, we will provide the cover that you have chosen. Your premium will be based on our view of the likelihood of a claim being made on your policy during the term of the policy. When we work out the premium we look at a number of factors that are good indicators of the likelihood that a claim will be made. For example, we consider:

- the type of vehicle you have insured and where you keep it;
- your age, and the age of the other people likely to drive your vehicle; and
- the way you use your vehicle – for example, private, ride share or business use.

Minimum premiums may apply. Any discounts / entitlements may be subject to rounding and only apply to the extent any minimum premium is not reached. If you are

eligible for more than one, each of them is applied in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts / entitlements. Discounts may not be applied to the premium for optional covers. Any discounts / entitlements will be applied to the base premium calculated prior to any taxes being added.

For more information about how we work out your premiums, the excesses we apply to the policy and any discounts / entitlements you may be entitled to, see our Premium, Excess, Discount and Options Guide (PED).

Paying your premium

You must pay your premium on time. You can pay your premium:

- annually, in a lump sum; or
- in instalments, by direct debit from a bank account or credit card you nominate.

Your policy schedule shows the amount you need to pay and the due date for your annual premium or instalments.

What happens if you don't pay your premium on time

You need to pay your annual premium or instalments by the due date. If you do not pay your premium by the due date, your policy will be cancelled and you may not be able to make a claim.

An instalment will be considered unpaid by us if it cannot be deducted from your

nominated account or credit card. If an ongoing instalment is unpaid for 14 days or more after the due date then we will refuse a claim for any incidents that take place during this time.

We may deduct any outstanding premium amount, from any claim payment.

14 day cooling off period

You can ask us to cancel your policy within 14 days from:

- the date we issued you a new policy; or
- the start date of a policy that you have renewed

and in either of these situations, provided you have not made or an event has not occurred that could give rise to a claim on your policy, we will refund your premium. We may deduct from your refund amount any reasonable administrative and transaction costs incurred by us that are reasonably related to you buying and cancelling your policy and any government taxes or duties we cannot recover.

In addition to your cooling off period, you can cancel the policy at any time by calling us. See page 30: Cancellation rights under your policy.

Renewing your policy

You will receive a renewal notice at least 14 days prior to the expiry date of the period of insurance advising whether we will offer renewal or not.

If we offer renewal, the renewal notice will set out the renewal terms, including the new premium and excess(es).

If you pay your premium by instalments, are happy with the proposed renewal terms, and you don't have to notify us of any matter required in the renewal notice you won't need to contact us. If we don't hear from you by the expiry date we will automatically renew the policy on the terms proposed.

If you've previously given your authority for a direct debit from your nominated account or credit card, we'll continue to deduct your instalments for the new policy from that account / credit card, unless you tell us not to.

If you don't want to take up the renewal offer, need to make changes, or the information listed is incorrect, you'll need to call us before the renewal date.

Each renewal is a separate policy, not an extension of the prior policy. This means that the cooling off period applies on each renewal.

Assigning your rights

You are not allowed to assign any benefits, rights or obligations under your policy unless you have our written permission to do so.

Appointing a representative

If you want to have someone represent you, you'll need to tell us, and we need to agree. This also applies if you want someone to manage your policy or claim.

Governing law

Your policy is governed by the law of the Australian state or territory where your vehicle is kept.

Duty of Disclosure

Your Duty of Disclosure

Before you enter into this insurance with us, you have a duty of disclosure under the Insurance Contracts Act 1984.

The Act imposes a different duty the first time you enter into a contract of insurance with us to that which applies when you vary, renew, extend or reinstate the contract.

This duty of disclosure applies until the contract is entered into (or renewed, varied, extended or reinstated as applicable).

Your Duty of Disclosure when you enter into the contract with us for the first time

When answering our specific questions that are relevant to our decision whether to accept the risk of the insurance and, if so, on what terms, you must be honest and tell us anything that you know and that a reasonable person in the circumstances would include in answer to the questions.

It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the contract.

Your Duty of Disclosure when you renew the contract

Where applicable, we will tell you what your renewal duty of disclosure is prior to each renewal.

Your Duty of Disclosure when you vary, extend or reinstate the contract

When you vary, extend or reinstate the contract with us, your duty is to tell us every matter that you know, or could reasonably be expected to know, is relevant to our decision whether to accept the risk of the insurance and, if so, on what terms.

What you do not need to tell us

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by us; or
- that is of common knowledge; or
- that we know or, in the ordinary course of our business as an insurer, ought to know; or
- as to which compliance with your duty is waived by us.

Non-disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the contract in respect of a claim, cancel the contract or both.

If your non-disclosure is fraudulent, we may also have the option of avoiding the contract from its beginning.

COMPREHENSIVE INSURANCE

Comprehensive insurance is the top level of cover we provide.

Accidental loss of or damage to your vehicle

We will cover you for accidental loss of (including theft) or any other type of accidental damage that happens to your vehicle during the period of insurance, subject to the other terms of this section and the policy (including those relating to the limits and excess).

New for old replacement of a new vehicle after a total loss

After a total loss event, we will replace your vehicle with a new vehicle of the same make, model, engine size, features and paint type including any modifications, options and accessories, so long as it is available in Australia, provided:

- we have determined that your vehicle is a total loss;
- you purchased it new (or as a demonstrator model) from the manufacturer or their dealer;
- where your vehicle is financed, your financier has given us their written consent; and
- your vehicle is less than two years old from when it was first registered at the time it is declared a total loss.

If the payment of an excess is required, it is payable to us upfront before we replace your vehicle.

If we replace your vehicle, this policy will continue to cover your replacement vehicle

until the end of the period of insurance. We will not require you to pay an additional premium for this cover.

If a new replacement vehicle is not available, we will pay you either the market value or agreed value of your vehicle, whichever is shown as applicable on your policy schedule.

Where new for old replacement of a new vehicle after a total loss does not apply

Where new for old replacement of a new vehicle after a total loss does not apply, at our option we will:

- repair your vehicle; or
- pay you the reasonable cost of repairing your vehicle; or
- pay you the market value of your vehicle (if your policy schedule shows that your vehicle is insured for market value); or
- pay you the agreed value of your vehicle (if your policy schedule shows that your vehicle is insured for an agreed value).

Further, we will adjust your claims payment in accordance with the GST provision shown under GST Notice (see page 22).

Temporary cover on replacement vehicle

If you sell or give away your vehicle and replace it with another one, we will provide temporary cover for the replacement vehicle for 14 days from the date of purchase of the replacement vehicle, on the same terms set out in your policy, except that we will only insure the replacement vehicle for its market value. Cover on the replaced vehicle ceases from the date of purchase of the replacement vehicle.

Other benefits we will pay

Unless we have stated differently under one of the other benefits listed below, the benefit will only apply where we have accepted your claim for accidental loss of or accidental damage to your vehicle (called a covered accident) under the policy and any payment we may make under this section will be paid in addition to any amount payable for the loss of or damage to your vehicle.

- of your employees; or
- member of your family.

We will not pay for legal liability in respect of any psychological or psychiatric injury (other than to the extent that it is directly caused by or arises from serious physical bodily injury of the person who suffers the psychological or psychiatric injury).

We will not pay unless you or the person claiming under this section has notified us of a claim under this section within six months of you or that person first becoming aware of an intention to make a claim against you or that person.

We will not pay for legal liability caused by or arising from an intentional act by you or any other person.

We will not pay any amount of exemplary, punitive or aggravated damages.

Maximum amount payable

The maximum amount we will pay for all claims under this policy for liability for damage to other people's property and/or supplementary bodily injury cover arising from an incident is \$20 million.

Other benefits we will pay

Legal costs

Provided we agree in writing, we will pay for all legal costs and expenses in defending any court proceedings arising from a claim for liability covered by the policy.

We will not pay for legal costs and expenses relating to any criminal or traffic enforcement related proceedings.

Uninsured motorists extension

(This benefit is applicable to Third Party Property Damage insurance and Third Party Fire & Theft insurance only)

We will cover your vehicle for loss or damage arising from an accident caused by the driver of an uninsured vehicle up to a maximum amount of \$5,000 for any one incident including the cost of protection, removal and towing.

You may only claim under this extension if you:

- did not contribute to the cause of the accident;
- can provide us with the name and address of the person responsible for the accident; and
- can provide the registration number of the other vehicle.

THIRD PARTY FIRE AND THEFT

Third Party Fire and Theft insurance is not available for new policies. It is only available to renewing customers with Third Party Fire and Theft insurance.

Loss of or damage to your vehicle caused by fire or theft

We will cover your vehicle for accidental loss or damage caused by fire or theft that happens during the period of insurance, subject to the other terms of this section and the policy (including those relating to limits and excesses).

At our option we will:

- repair your vehicle; or
- pay you the reasonable cost of repairing your vehicle; or
- pay you the market value of your vehicle.

The maximum we will pay in respect of any one incident is \$5,000.

Further we will adjust your claims payment in accordance with the GST provision noted under GST Notice (see page 22).

Other benefits we will pay

Rental car after theft

If we accept a claim for the theft of your vehicle we will arrange for you to be provided with a rental car:

- until your vehicle is recovered undamaged and you have been told of its location; or
- until your vehicle is recovered damaged and the damage is repaired; or
- until we settle your claim by paying the agreed value or market value; or
- for a maximum of 30 days,

whichever happens first.

The maximum daily rental charge we will pay is \$100.

Additionally, as part of this Rental car after theft benefit, we will reimburse you up to \$3,000 in total for any excess or security bond you have to pay under your rental car agreement because there is accidental loss of or damage to the rental car or because it causes some loss or damage.

We will not pay for:

- a rental car unless its hire has been arranged by us or approved by us;
- the cost of fuel used during the rental period; or
- any accidental loss or damage to the rental car.

If a rental or loan car is not available, we will pay you a daily travel allowance of \$50:

- until your vehicle is recovered undamaged and you have been told of its location; or
- until your vehicle is recovered damaged and the damage is repaired; or
- until we settle your claim by paying the agreed value or market value; or
- for a maximum of 30 days,

whichever happens first.

Towing

Following fire or theft of your vehicle, we will pay the reasonable cost of protection, removal and towing of your vehicle to the nearest repairer, place of safety or any other place which we agree to.

MAKING A CLAIM

Assisting us with your claim

You must give us all the information and assistance with your claim which we may reasonably require. If you do not, then to the extent permitted by law, we may not pay your claim or provide cover.

If we have the right to recover any amount payable under this policy from any other person, you must co-operate with us in any action we may take.

Deciding who is at fault

We will be solely responsible for deciding whether you contributed to the cause of an accident.

What we pay for

If we agree to settle your claim, we will:

- decide whether to repair your vehicle, pay the reasonable cost of repairing your vehicle or pay the agreed or the market value (as applicable);
- pay any other benefits that apply;
- pay for any optional covers you have chosen and paid for; and
- deduct any amounts that apply to the policy such as excess or unpaid premium.

The most we will pay

This will depend on what level of insurance cover you have chosen.

- If you have Comprehensive insurance, we will pay either the agreed or market value (as applicable).
- If you have Third Party Fire & Theft insurance, the most we will pay is the vehicle's market value, up to a maximum of \$5,000.

- If you have a Third Party Property Damage or Third Party Fire & Theft policy and claim under the uninsured motorists extension, the most we will pay is \$5,000.

How we will settle your claim

We may choose to settle your claim in any of these ways.

Repair your vehicle

We can arrange for one of our selected repairers to repair your vehicle, or you can arrange your own repairer. To see what happens when a decision is being made on a repairer see page 23: Choosing a repairer.

Pay you the reasonable cost of repairing your vehicle

Rather than repair your vehicle we can choose to pay you the reasonable cost of repairing it. If we choose this approach we will determine the reasonable cost by examining a number of factors. This may include the quote from your nominated repairer and other repairers as well as reports from our trained assessors.

We may choose the approach of paying you the reasonable cost to us of repairing your vehicle where we are not satisfied with the repairer you choose.

Pay your claim as a total loss

We may pay out your claim as a total loss when we consider your vehicle to be a total loss or we choose to do so. If we pay out your claim as a total loss, your policy comes to an end and there is no refund of premium to you for any unexpired period of the policy.

For Comprehensive insurance we pay the market or agreed value (as applicable) less:

- the excess; and
- any unpaid premium.

We will keep the vehicle.

If you have a Third Party Fire & Theft policy, and the market value of your vehicle is less than \$5,000, we will pay you the market value less:

- the excess; and
- any unpaid premium.

If the market value of your vehicle is over \$5,000, we will pay you the market value less any salvage value up to a maximum of \$5,000 less:

- the excess; and
- any unpaid premium.

You would then keep the vehicle.

If we have paid a claim following theft and the vehicle is then recovered after we have paid the claim, you will need to pay back the amount we paid you.

For Third Party Fire and Theft insurance and Third Party Property Damage insurance, if we settle your claim under the uninsured motorists extension we will pay you the market value up to a maximum of \$5,000 less:

- our estimated salvage value; and
- any unpaid premium.

You would then keep the vehicle.

Paying for other benefits

If we agree to pay you other benefits under the policy, we will determine the reasonable cost. We will repair, replace or pay the relevant loss or damage (as applicable) up to the maximum amount that applies under the benefit.

What happens to your property

Recovered vehicles

If we settle your claim under Comprehensive insurance and it is a total loss and the vehicle is later recovered we will usually keep the recovered vehicle.

Damaged property

If we settle the claim for a damaged item then it becomes our property.

Credit provider's rights

You must tell us if you have used the vehicle as security for a loan. This may also apply if you have a lease or hire purchase agreement on your vehicle.

When you do this we note the credit provider on your policy schedule.

When there is a credit provider noted:

- we treat the vehicle as being under a finance arrangement;
- we treat any statement, act, or omission or claim by you as a statement, act or omission by the credit provider; and
- we may recover any payment either in your name or the credit provider's name.

Payments to the credit provider

If we pay a claim on your vehicle that is under a finance arrangement, we first pay the credit provider the lower of these amounts after deducting any excess and deductions that apply:

- the agreed value or market value;
- the cost of repairing your vehicle; and
- the balance owing to the credit provider under the finance arrangement.

If the credit provider is entitled to the salvage of the vehicle, we will deduct the estimated salvage value of the vehicle from any amount we pay them.

However we will only pay the credit provider if they:

- are noted on your policy schedule; and
- give us any help we ask for.

If we make a payment to a credit provider, then that payment discharges our obligation to you under your policy for the amount paid.

If we decide to settle your claim as a total loss, before we settle your claim:

- we will check the Personal Property Securities Register to confirm whether a security interest is registered over your vehicle; and
- you must settle any finance arrangement over your vehicle and remove it from that register.

GST Notice

This policy has a GST provision in relation to premium and our payment to you for claims. It may have an impact on how you determine the amount of insurance you need.

Please read it carefully. Seek professional advice if you have any queries about GST and your insurance.

Sums insured

All monetary limits in this policy may be increased for GST in some circumstances (see below).

Claim settlements – where we agree to pay

When we calculate the amount we will pay you, we will have regard to the items below:

- Where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the policy) we will pay for the GST amount.

We will pay the GST amount in addition to the sum insured/ limit of indemnity or other limits shown in the policy or in this schedule.

If your sum insured/limit of liability is not sufficient to cover your loss, we will only pay the GST amount that relates to our settlement of your claim.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled.

- Where we make a payment under this policy as compensation instead of payment for a relevant acquisition, we will reduce the amount of the payment by the

amount of any input tax credit that you would have been entitled to had the payment been applied to a relevant acquisition.

Disclosure – Input tax credit entitlement

If you register, or are registered, for GST you are required to tell us your entitlement to an input tax credit on your premium. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we may pay. This policy does not cover you for this GST liability, or for any fine, penalty or charge for which you may be liable.

Business registered for GST

If you are a business registered for GST, we will deduct an amount equal to your input tax credit entitlement before we make any payment on your policy. This applies to any amount we pay, including where we state that an amount will include GST.

We will consider any payment we make to settle your claim to be made in full even if we have reduced the amount we pay as described above.

Recovery against another party

We have the right to recover from any person, in your name, the amount of any claim paid under this policy. We have full discretion in the conduct, settlement or defence of any claim in your name. If we recover more than the amount we have paid to you or on your behalf, we will pay you the balance.

The amount of any excess you have paid will only be refunded when we have recovered the total amount we have paid under your claim, unless we have agreed otherwise.

Repairing your vehicle

If we choose the option of repairing your vehicle, we will decide the best way of repairing any damage that exists.

You have to get approval from us before starting any repairs on your vehicle.

Choosing a repairer

Allianz can assist you in selecting a suitable repairer to repair the damage to your vehicle. You also have the right to choose your own repairer. We will always work closely with the repairer in order to seek to achieve the best repair outcome for you. In some instances, we'll require a second quotation from a repairer chosen by us. We will then choose (subject to any relevant policy limits) to:

- authorise the repairs at your repairer of choice;
- pay you the reasonable cost of repairing your vehicle; or
- move your vehicle to a repairer we both agree will repair your vehicle. If we both agree to move your vehicle, we'll provide you with a rental car for up to three days in addition to any other benefit provided under your policy. The maximum we will pay for the rental car is \$100 per day.

Authorising repairs

If you have Comprehensive cover, you may only authorise emergency repairs as detailed under the Emergency repairs benefit (see page 12). You cannot authorise further repairs to your vehicle without our prior consent.

Before we make a decision regarding your claim and repairs to your vehicle, we may need to inspect your vehicle. A motor vehicle assessor will be appointed by us. We or our

assessor will make the necessary arrangements with you.

Where diagnosis (such as the stripping of engine) is required to determine if there has been accidental damage covered by this policy, if you or we incur costs for such diagnosis and reassembly and the claim is accepted as valid by us, we will bear these costs subject to the applicable sum insured/limits of liability.

If the claim is not lodged or the claim is not subsequently accepted by us, you agree to pay for the diagnosis and reassembly costs.

Parts used to repair your vehicle

If we are unable to repair the part, we use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR). If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay more than the maker's last list price in Australia (together with a reasonable charge for fitting) for the supply of any spare part, extra or accessory.

In the event that any spare part, extra or accessory cannot be obtained within a reasonable time, we may choose to pay you the value of the spare part, extra or accessory (together with a reasonable charge for fitting) rather than supply the spare part, extra or accessory.

Guarantee on repairs

We guarantee materials and workmanship on repairs we authorise for as long as you own or lease your vehicle. This guarantee is not transferable.

Unrepaired damage

If your vehicle had any unrepaired damage before an incident, then you may need to contribute to the repair costs.

You need to do this when the damage caused by the incident results in us having to repair more areas of your vehicle than were affected by the unrepaired damage.

Undamaged areas

We will not repair undamaged areas of your vehicle that have not been affected by damage caused by the incident to ensure a uniform appearance.

OUR EXCESSES

An excess is the amount you must pay when you make a claim, unless we state that an excess doesn't apply. Your excesses are shown on your policy schedule under the heading "Excess applicable to claims".

There are different types of excesses that may apply to you, or the driver of your insured vehicle. You may have to pay more than one excess. We've listed the different excesses below.

Your Basic excess

Your Basic excess is the first amount you must pay on each claim. The amount of Your Basic excess will be shown on your policy schedule, next to the heading "Your Basic excess".

Your Basic excess may comprise a Variable excess and an Imposed excess, which reflects our risk and underwriting criteria.

If an Imposed excess has been applied, it will appear separately on your policy schedule.

You'll have the choice of changing Your Basic excess within a range that we determine, but you can't change or remove any Imposed excess.

Age excess

If you make a claim for an incident that occurred when your vehicle was being driven by a driver under the age of 25, you must pay the Age excess, in addition to Your Basic excess and all other applicable excesses shown on your policy schedule.

If the under-25 driver is listed on your policy schedule, a \$600 Age excess applies.

If the under-25 driver is not listed on your policy schedule, a \$1,800 Age excess applies.

Theft excess

Applicable only where specified on your policy schedule.

If you make a claim for loss or damage caused by or arising from theft or attempted theft of your vehicle, you must pay the Theft excess shown on your policy schedule.

This Theft excess is in addition to Your Basic excess and all other applicable excesses shown on your policy schedule.

Driver excess

Applicable only where specified on your policy schedule.

If your policy schedule shows there is a Driver excess on your policy, we will apply the Driver excess if you make a claim for an incident that occurred whilst the vehicle was being driven by the person listed.

This Driver excess is in addition to Your Basic excess and all other applicable excesses shown on your policy schedule.

Unnamed driver excess

If your policy schedule shows that the "Named driver" option applies, we will apply an Unnamed driver excess (as shown on your policy schedule) if you make a claim for an incident that occurred whilst the vehicle was being driven by any driver that is not listed on your policy schedule as a Named driver.

This Unnamed driver excess of \$2,500, if payable, replaces all other excesses applicable to your policy.

When you do not have to pay an excess

You will not have to pay an excess if:

- the claim relates to damage that we agree was the fault of a person other than the driver of your car at the time of the incident; and
- you can provide us with the name and contact details of the other person; and
- the claimable loss is recoverable by us.

In the event that the fault of the incident which gave rise to the claim is in dispute, you will be required to pay the excess.

If we are successful in establishing the fault of the other person, we'll refund the excess you've paid.

You will not have to pay any Age excess (Under 25 Driver), Unnamed driver excess or Driver excess if you are claiming for any of the following:

- windscreen, sunroof or window glass damage only;
- theft;
- hail, storm, cyclone, bush fire or flood damage;
- malicious damage; or
- damage to your vehicle while parked.

You will not have to pay an Age excess (Under 25 Driver) or Unnamed driver excess if the driver:

- was found guilty of the theft or illegal use of your vehicle;
- had been paid by you to repair, service or test your vehicle;
- was an attendant at a car park; or

- was a learner driver accompanied by the holder of a full unrestricted Australian drivers licence.

Other deductions

If we finalise your claim as a total loss, there are other amounts we may deduct before we pay out your claim:

- any unpaid premiums or instalment payments that cover the rest of your period of insurance for the policy; and
- salvage value, if applicable. We will usually keep the vehicle in the event of a total loss. If we agree to let you keep the wreck, we'll deduct its estimated salvage value.

WHEN WE WILL NOT PAY YOUR CLAIM

You are not covered and we will not pay any claim under the policy for loss, damage, liability, cost or expense that is caused by, arises from or is in any way connected with:

An unlicensed driver

Your vehicle being driven by or in the charge of someone who is unlicensed, or not complying with the conditions of their licence. We will pay a claim for you, but not the driver or person in charge of your vehicle, if you can prove to us that:

- you were not driving or in charge of the vehicle when the incident leading to the claim occurred; and
- you did not know, and couldn't reasonably have been expected to know, that the driver was unlicensed, or not complying with the conditions of their licence.

A declined driver

Your vehicle being driven by a person shown on your policy schedule as a declined driver.

A driver under the influence

- refused to submit to any test to determine the level of alcohol or drugs in the breath or blood at the time of the accident, when reasonably requested by the police.

We will pay a claim for you, but not the driver or person in charge of your vehicle, if you can prove to us that:

- you were not driving or in charge of the vehicle when the incident leading to the claim occurred; and
- you had no reason to suspect that the driver was affected by any drug or alcohol.

Exceeding load or passenger limits

Your vehicle carrying more people or a larger load than it is designed for, or that the driver is legally permitted to carry.

We will not refuse your claim if you can prove that the accidental loss, damage or liability was not caused or contributed to by the greater load or number of passengers.

Unsafe vehicle

Your vehicle being used in an unsafe or unroadworthy condition.

We will not refuse your claim if you can prove that the accidental loss, damage or liability was not caused or contributed to by the unsafe or unroadworthy condition of your vehicle.

period of insurance means the period of time commencing on the effective date stated on your policy schedule and ending on the expiry date stated on your policy schedule unless ending earlier in accordance with the policy or law. unless otherwise notified to you by us in writing.
